Le parole chiave per descrivere i vini di Ca'Lojera sono proprio eterna giovinezza ed elegante capacità di invecchiamento. La cantina vinifica uve proprie, 18 ettari di Turbiana a Sirmione su argille bianche un tempo fondale del lago e 2 ettari in collina morenica dedicati a Chardonnay, Merlot e Cabernet. • The keywords to describe Ca'Lojera wines are eternal youth and elegant aging potential. The winery produces its own grapes, 18 hectares of Turbiana in Sirmione on white clays that once were the bottom of the lake and 2 hectares of moraine hills dedicated to Chardonnay, Merlot and Cabernet. • Die Schlagworte zur Beschreibung von Ca'Lojera-Weinen sind ewige Jugend und elegantes Altern.
